LET’S START OUT ON THE SAME PAGE(S).

We apologize in advance for the long read. However, when you’re in the business of handling people’s money, it’s important that everyone understand the ground rules. So grab a cuppa Joe, settle back into a comfortable chair, and enjoy the read.

Rule #1: Follow the Rules.

This information contains the rules which govern your account(s) with us. Please read this information carefully. If you sign your membership application or continue to have an account with us, you agree to these rules, our by-laws, and any by-law amendments. You agree to pay the fees we charge and you give us the right to collect any fees, as earned, directly from the account balance. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this information. If you have any questions, please call us. This agreement is subject to applicable federal laws and the laws of the State of Minnesota (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here.

The purpose of this information is to:

1. Summarize the existing rules applicable to the more common transactions;
2. Establish rules to govern transactions or events which the law does not regulate; and
3. Establish rules for certain events or transactions which the law already regulates but permits variation by agreement.

We may permit some variations from this standard agreement, but any variations must be agreed to in writing either on our signature card for the account or in some other written form.

As used in this information, the words “we”, “our”, and “us” mean the credit union and the words “you” and “your” mean the owner(s) of this account and any “agent” appointed by or on behalf of the owner(s) to sign on the account in a representative capacity.

Username & Password

Your username and password will be your remote banking signature and you are responsible for maintaining its confidentiality. Usernames and passwords will be created by the user during the initial enrollment period. The username and password should be memorized and not written, in order to prevent unauthorized use and so you may report its loss or theft accurately. Only you and those who you authorize are allowed to access your account with the use of your username and password.

Types of Transactions Available

You may use the E-Branch service to obtain information related to any of your savings and loan accounts regarding current balances and account history, loan payoff amounts, payments, and due dates. You may change your password and/or apply for a loan online. You may also transfer funds within your account and between your account and other accounts that have been authorized in writing prior to such transfer requests. E-Branch allows you to withdraw funds from savings and checking by check, made payable to you and mailed to you at your mailing address, make loan payments from any savings or checking account and make bill payment transfers to vendors you have authorized prior to such transfer. You may make deposit transfers within your account and other accounts that you are authorized to access as often as you like. You may transfer up to the balance in your accounts at the time of the transfer, except as limited under other agreements. We reserve the right to refuse any transaction that would draw upon insufficient funds or lower an account below a required balance. E-Branch transactions may be made at any time, seven (7) days a week, except when the service is unavailable due to backup procedures and/or maintenance.

Documentation of Transactions

You will receive a monthly, quarterly or yearly statement of your account activity. You will not receive any other slip or confirmation of an E-Branch transaction.

If you relocate your debit card, you may unblock your card to allow transactions to be completed on your account. You will still need to contact NSFCU to order a replacement debit card for your account and dispute any unauthorized transactions which may have posted. NSFCU will make its best efforts to carry out instructions for blocking/unblocking within such time as may be specified by NSFCU, however, NSFCU does not guarantee that the fulfillment of these instructions since the E-branch system depends on various electronic technology used from

time to time and may pass through various intermediaries, which could cause delays in receipt/transmission of any instructions by/from you by/from NSFCU. See the Electronic Fund Transfers disclosure for additional information that may pertain to your NSFCU debit card.

Electronic Bill Pay

E-Pay is accessed through the use of E-Branch and is currently available only to members with a NSFCU share draft account and who have signed up for the services of Electronic Statements. All disclosures from E-Branch apply. By signing the Automated Services Request Form, you authorize us to serve as your agent in processing payments and/or transfers which you establish and schedule through On-line Bill Pay services and authorize us to post such payments and/or transfers to your designated account. You understand that we may not make certain payments if sufficient funds are not available in your designated account. We will not process any bill payment transfer if the required transaction information is incomplete. In order for a bill payment request to be processed, it must be set up properly in the system by 10:00 a.m. on the intended transaction date. The designated funds will be withdrawn from your account for bill payment transfer at any time on the date we process your transaction. We will process your bill payment transfer request within one (1) business day of the day you schedule for payment. Payments are not processed on Saturdays, Sundays or holidays. You must allow sufficient time for mail delivery and for vendors to process your payment after they receive a payment from us. You must leave as much time as though you were sending your payment by mail. We cannot guarantee the date and/or time that any payment will be credited to your account by the vendor. We will not be responsible for any late fees, charges or penalties incurred as a result of a payment not being scheduled in a manner that allows for sufficient time for delivery and processing. Any bills paid via paper draft are mailed via the United States Postal Service and may be subject to a delay in delivery. Some electronic bill payments that pay from your account may be in an ACH paperless form. The arbitration is to be administered by the American Arbitration Association and is to be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The arbitration is to be held before a panel of three arbitrators, each of whom must be independent of the parties. No later than 15 days after the arbitration begins, each party shall select an arbitrator and request the two selected arbitrators to select a third neutral arbitrator. Any arbitration proceeding under this Agreement must be commenced no later than two years after the controversy or claim arose. Failure timely to commence an arbitration proceeding constitutes both an absolute bar to the commencement of an arbitration proceeding with respect to the controversy or claim, and a waiver of the controversy or claim. The arbitrators are to interpret all controversies and claims arising under or relating to this Agreement in accordance with the laws set forth in Section 9(a). The arbitration is to be conducted in Lake County, Minnesota. Each party shall submit to any court of competent jurisdiction for purposes of the enforcement of any award, order or judgment. Any award, order or judgment pursuant to arbitration is final and may be entered and enforced in any court of competent jurisdiction.

FUNDS AVAILABILITY & CHECK 21 DISCLOSURES

Funds Availability

This policy statement applies to all of our accounts with the exception of our Term Share Certificates. Our policy is to make funds from your deposits available to you immediately. At that time, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM before that ATM's daily cutoff time, the funds deposited will be credited to your account the following business day after 2:00 p.m. If you make a deposit at an ATM after that ATM's daily cutoff time, the deposit will not be credited to your account until the second business day after 2:00 p.m. NSFCU does not control ATM cutoff times at non-NSFCU ATMs.

Longer Delays May Apply

In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check that you deposit, funds may not be available until the second (2nd) business day after the day of your deposit. However, the first \$300.00 of your deposits will be available immediately. If we are not going to make all of the funds from your deposit available immediately, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available. In addition, funds you deposit by check may be delayed for a longer period, up to seven (7) business days, under the following circumstances:

- We have reason to doubt the collectability of a check you deposit.
- You deposit checks totaling more than \$5,525.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- Availability restrictions may apply to checks deposited electronically using Remote Deposit Capture (E-Deposit). Refer to the Remote Deposit Capture disclosure for details.
- There is an emergency, such as failure of communications or computer equipment. We will notify you if we delay your ability to withdraw funds for any reasons, and we will tell you when the funds will be available. They will be available no later than the tenth business day after the day of deposit.

Check 21

What is Check 21?

Check 21 is the name commonly used to refer to the Check Clearing for the 21st Century Act. This legislation, passed by Congress and signed into law by the president, clears the way to incorporate electronic technology that will streamline the traditional check processing system financial institutions have relied upon for many years. The Act became effective Oct. 28, 2004.

Check 21 allows for the "truncation" of checks earlier and more often. Truncation is the process of physically removing the check from the processing system and replacing that check with an electronic image of the front and back of the original check. This electronic data can be processed quickly and safely using state-of-the-art technology and can be used to create a substitute paper check if necessary.

What is a substitute check?

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the

original check. Some or all of the checks that we process through your account may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, NSF check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account would have accrued any interest. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500.00 of your refund (plus interest if applicable) within 10 business days after we received your claim and the remainder of your refund (plus interest if applicable) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

Stop Payment Procedures and Notice of Varying Amounts

Right to Stop Payment and Procedure for Doing So

If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how: Call or write us at the telephone number or address listed in this brochure in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you a fee for each stop payment order you give (please refer to the Member Fee Schedule).

Notice of Varying Amounts

If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

Liability for Failure to Stop Payment of Preauthorized Transfer

If you order us to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages. We are not liable for failure to stop payment if the amount of the electronic funds transfer changes.

Member Liability

You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts.

Our Liability

Liability for Failure to Make Transfers

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will **NOT** be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If the transfer would go over the credit limit on your overdraft line.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions we have taken.
- (6) There may be other exceptions stated in our agreement with you.

Disclosure of Account Information to Third Parties

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers;
- (2) in order to comply with government agency or court orders; or
- (3) if you give us permission.

Unauthorized Transfers

Liability Disclosure

Tell us at once if you believe your card or access code has been lost or stolen, or if you believe an electronic fund transfer has been made without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft funds). We will be liable for all unauthorized transfers unless the unauthorized transfer was (1) due to the negligent conduct or intentional misconduct of the operator of an electronic financial terminal or his agent, in which case the operator or his agent shall be liable, or (2) due to the loss or theft of your card. If due to the loss or theft of your card, your liability for losses from unauthorized transfers is the lesser of \$50 or the amount of unauthorized transfers made if you notify us within 2 business days after you learn of the loss or theft of your card or access code. If you do NOT notify us within 2 business days after you learn of the loss or theft of your card or access code, and we can prove we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00. Also, if you

fail to notify us within 60 days after you receive a statement containing unauthorized transfers, you could be liable for up to \$50 for unauthorized transfers appearing on the statement or occurring during the 60-day period, plus the amount of unauthorized transfers that occur after the 60 day period, if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we may extend the time periods.

Address and Telephone Number

If you believe your card has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write us at the telephone number or address listed in this brochure.

Right to Bring Civil Action

You may bring a civil action against any person violating any provision of Minnesota Statutes #47.69 (governing consumer privacy and unauthorized withdrawals). If you prevail in such an action, you may recover the greater of your actual damages or \$500. You may also be entitled to recover punitive damages, your court costs and reasonable attorney's fees.

Time Needed to Complete Terminal Transactions

- Withdrawals made at a terminal will normally be completed and charged to your account the next business day.
- Deposits made at a terminal will normally be credited to your account the next business day.
- Transfers between accounts will normally be completed the next business day.

Point-of-Sale Transactions

You cannot reverse a point-of-sale transaction.

Error Resolution

In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed in this information as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you later than 60 days after we sent the FIRST statement on which the problem or error appeared. (1) Tell us your name and account number (if any). (2) Describe the error or transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information. (3) Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will tell you the results of our investigation within 10 business days (20 business days if the transfer involved a point-of-sale transaction or a foreign initiated transfer) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a point-of-sale transaction or a foreign initiated transfer) to investigate your complaint or question. If we decide to do this, we may issue a provisional credit to your account within 10 business days (20 business days if the transfer involved a point-of-sale transaction or a foreign initiated transfer) for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not re-credit your account. If we decide that there was an error, we will send you a written explanation within three business days after we finish our investigation. If there is no error found, we will immediately withdraw any provisional credit issued to your account. You may ask for copies of the documents that we used in our investigation.

UNLAWFUL INTERNET GAMBLING ENFORCEMENT ACT NOTICE

Effective June 1, 2010, North Shore Federal Credit Union is required to comply with the provisions of the Unlawful Internet Gambling Enforcement Act (UIGEA) and Regulation GG. This notification is to inform you that restricted transactions, as defined under the UIGEA, are prohibited from being processed through your account or relationship with us.

Restricted transactions include transactions in which a person accepts credit, funds, instruments or other proceeds from another person in connection with unlawful internet gambling.

By opening/maintaining an account at North Shore Federal Credit Union, you agree not to use the account, any access device or service made available to you through a NSFCU account for conducting any illegal activity including unlawful internet gambling.

North Shore Federal Credit Union may terminate your account relationship for engaging in unlawful internet gambling or other illegal activities conducted through your NSFCU account.

ELECTRONIC "WHOLESALE CREDIT" TRANSACTION DISCLOSURE Subject to UCC Article 4A

Provisional Payment

Credit given by North Shore Federal Credit Union to you with respect to an automated clearing house credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e. the originator of the entry) shall not be deemed to have paid you in the amount of such entry.

Notice of Receipt of Entry

Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account, NSFCU is not required to give next day notice to you of receipt of an ACH item and will not do so. However, we will continue to notify you of the receipt of payments in the periodic statements we provide to you.

Choice of Law

NSFCU may accept on your behalf payments to your account which have been transmitted through one or more Automated Clearing Houses (ACH) and which are not subject to the Electronic Funds Transfer Act and your rights and obligations with respect to such payments shall be construed in accordance with National Automated Clearing House Association Operating Rules. The Uniform Commercial Code Article 4A provides rules determining which state's law apply for interstate disputes concerning ACH transactions subject to Article 4A. If the parties do not agree that laws of a particular state will apply, NACHA Operating Rules require that New York version apply.

TERMS AND CONDITIONS

Liability

Each of you agrees for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges that we impose. You authorize us to deduct these charges as accrued directly from the account balance. You also agree to pay additional reasonable charges we may impose for services you request which are not covered by this agreement. Each of you also agrees to be jointly and individually liable for any account deficit resulting from charges or overdrafts, whether caused by you or another authorized to withdraw from this account, and our costs to collect the deficit including, to the extent permitted by law, our reasonable attorneys' fees. You agree that at our option we may suspend your membership rights if you violate the terms of this agreement.

Deposits

Any items, other than cash, accepted for deposit (including items drawn "on us") will be given provisional credit only until collection is final (and actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars). We are not responsible for transactions initiated by mail or outside depository until we actually record them. All transactions received after our normal business hours or received on a day on which we are not open for business, will be treated and recorded as if initiated on the next following business day that we are open. If this account earns dividends, we are prohibited by law from guaranteeing the payment of dividends or that dividends we do pay will be at the contracted rate. We must base our dividend payments to you upon the money we actually earn and that is available for distribution at the end of a dividend period. Unless otherwise agreed, you waive any right to receive any original item after it is paid.

Withdrawals

Unless otherwise clearly indicated to the contrary, any one of you who signs in the space designated for signatures on the membership application, including any agents, may withdraw or transfer all or any part of the account balance at any time on forms approved by us. Each of you (until we receive written notice to the contrary) authorizes each other person signing on the signature card to endorse any item payable to you or your order for deposit to this account or any other transaction with us. We may charge against your account a check, even though payment was made before the date of the check. The fact that we may honor withdrawal requests which overdraw the final collected account balance does not obligate us to do so, unless required by law. Withdrawals will first be made from collected funds, and we may, unless prohibited by law or our written policy, refuse any withdrawal request against uncollected funds, even if our general practice is to the contrary. We reserve the right to refuse any withdrawal or transfer request which is attempted by any method not specifically permitted, which is for an amount less than any minimum withdrawal requirement, or which exceeds any frequency limitation. Even if we honor a nonconforming request, repeated abuse of the stated limitations (if any) may eventually force us to close this account. We will use the date a transaction is completed by us (as opposed to the day you initiate it) to apply the frequency limitations. We reserve the right to require you to notify us of your intention to withdraw shares or deposits from this account as explained in our by-laws. Withdrawals from a time deposit prior to maturity or prior to the expiration of any notice period may be restricted and may be subject to penalty. See your Truth in Savings Disclosure for early withdrawal.

Ownership of Account and Beneficiary Designation

These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We reserve the right to refuse some forms of ownership on any or all of our accounts. Individual Account is owned by one person. Joint Account with Survivorship (and Not as Tenants in Common) is owned by two or more persons. Each of you intend that upon death the balance in the account will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint tenants with survivorship and not as tenants in common.

Revocable Trust or Pay-On-Death Account

If two or more of you create such an account, you own the account jointly with survivorship.

Beneficiaries acquire the right to withdraw only if: (1) all persons creating the account die; (2) the beneficiary is then living; and (3) we have not been given written notice of a claim under a will. If two or more beneficiaries are named and survive the death of all persons creating the account, such beneficiaries will own this account in equal shares, with right of survivorship. The person(s) creating either of these account types reserves the right to: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the deposit at any time.

Corporate, Partnership, and other Organizational Accounts

We will usually require a separate authorization form designating the person permitted to withdraw and the conditions required for withdrawal from any account in the name of a legal entity such as a partnership, corporation, or other organization. We will honor the authorization according to its terms until it is amended or terminated in writing by the governing body of the organization.

Pledges

Unless you tell us differently in writing, each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any joint account survivor, pay-on-death beneficiary, or trust account beneficiary become effective. For example, if one joint tenant pledges the deposit evidenced by this agreement for a debt (i.e., uses it to secure a debt) and then dies, (1) the surviving joint tenant's rights in this account do not take effect until the debt has been satisfied and (2) the debt may be satisfied with the funds in this account.

Stop-Payments

A stop-payment order must be given in the manner required by law and must be received in time to give us a reasonable opportunity to act on it before our stop-payment cut-off time. Our stop-payment cut-off time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop-payment are provided by law. A stop-payment order must precisely identify the number, date and amount of the item, and the payee. We will honor a stop-payment request by the person who signed the particular item, and by any other person, even though such other person did not sign the item, if such other person has an equal or greater right to withdraw from this account than the person who signed the item in question. A release of the stop-payment request may be made only by the person who initiated the stop-payment. By submitting a stop-payment order, you agree to abide by the rules and regulations (as outlined in the Uniform Commercial Code or other applicable commercial laws) covering stop-payment orders. Oral stop-payment orders (including by phone) are binding for 14 days only, unless you confirm the order with your signature on the proper form within the 14-day period. Properly signed and submitted stop-payment orders are effective for 6 months after the date accepted and will automatically expire after that period unless renewed in writing.

Telephone Transfers

A telephone transfer of funds from this account to another account with us, if otherwise permitted or arranged for, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing.

We restrict the number of transfers from a savings account to another account, or third parties, to a maximum of six per month (less the number of certain "preauthorized transfers" during the month). Other account transfer restrictions are described elsewhere in this brochure.

Amendments and Terminations

We may change our by-laws and any term of this agreement.

Rules governing changes in interest and dividend rates have been provided separately. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We reserve the right to close this account if your membership in this Credit Union terminates. You agree to keep us informed about your current address at all times. Notice from us to any one of you is notice to all of you.

Statements

You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized payments or alterations, you must promptly notify us of the relevant facts. If you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we exercised ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items forged or altered by the same wrongdoer. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but that such time will not, in any circumstance, exceed a total of 30 days from when the statement is first made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations, forgeries or any other errors in your account within 60 days of when we make the statement available, you cannot assert a claim against us on any items in that statement, and the loss will be entirely yours. This 60-day limitation is without regard to whether we exercised ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Account Transfer

This account may not be transferred or assigned without our prior written consent.

Direct Deposits

If, in connection with a direct deposit plan, we deposit any amount in this account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from this account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

Restrictive Legends

We are not required to honor any restrictive legend on items you write unless we have agreed to the restriction in a writing signed by an officer of the credit union. Examples of restrictive legends are “must be presented within 90 days” or “not valid for more than \$1,000.00.”

Facsimile Signatures

You authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen on the signature card or that are filed separately with us, and contain the required number of signatures for this purpose.

Right to Repayment of Indebtedness

You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt owed to us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debit arose from a note, “any due and payable debt” includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge the account, including any balance the due date for which we properly accelerate under the note. Our right to repayment does not apply to this account if: (a) it is an Individual Retirement Account or other tax deferred retirement account, or (b) the debit is created by a consumer credit transaction under a credit card plan, or (c) the debtor's right of withdrawal arises only in a representative capacity. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment.

Agents

An agent is someone who you authorize to have access to this account on your behalf. (We, however, have no duty or agreement whatsoever to monitor or ensure that the acts of the agent are for your benefit.) This may be done by allowing your agent to sign on the space as an authorized signer on the signature card, or by separate form (such as a power of attorney). An agent is not an owner of the account. We will allow agents to be appointed only on individual accounts unless each owner of a joint account has executed a separate power of attorney naming an agent. We may refuse to accept an agent, or an agency account.

Compounding Frequency

Unless otherwise paid, dividends will be compounded every month.

Crediting Frequency

Dividends will be credited to your account every month. Alternatively, you may choose to have dividends paid to you or to another account every month rather than credited to this account.

Minimum Balance Requirements

The minimum balance required to open a Term Share or IRA Term Share account is \$2,500.00. The minimum balance required to open a Youth Term Share account is \$25.00. You must maintain the minimum balance in your account each day to obtain the disclosed annual percentage yield.

Daily Balance Computation Method

Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Accrual of Dividends on Non-Cash Deposits

Dividends will begin to accrue on the business day you place non-cash items (for example, checks) to your account.

Transaction Limitations

Additions to Term Share accounts cannot be made, except at a maturity and rollover date. Additions to IRA Term Share accounts are allowed at any time. The minimum contribution amount is \$500.00 unless you have scheduled an automatic recurring contribution to your IRA Term Share. Youth accounts may be added to any time with a minimum deposit amount of \$10.00.

Early Withdrawal Penalties

A penalty may be imposed for withdrawals before maturity:

- If your account has an original maturity of 12 months or less, the penalty we may impose will equal 90 days dividends on the amount withdrawn subject to penalty.
- If your account has an original maturity of more than 12 months, the penalty we may impose will equal 180 days dividends on the amount withdrawn subject to penalty.
- Special early withdrawal penalties may apply to certain Term Share specials and will be disclosed at account opening.

There are certain circumstances, such as the death or incompetence of an owner, where we may waive or reduce this penalty. See your plan disclosure if this account is part of an IRA or other tax qualified plan.

Withdrawal of Dividends Prior to Maturity

The annual percentage yield is based on an assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

Automatically Renewable Account

This account will automatically renew with the current term and rate at maturity if the account balance of the certificate meets the current minimum requirements and the term is still being offered. If your existing term is not being offered, it will automatically renew at the next shorter term and rate. If the balance of the certificate does not meet the minimum requirements at maturity the certificate account will remain open and dividends will remain unpaid. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any) or we receive written notice from you at least 30 calendar days before maturity. We can prevent the renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal, dividends will not accrue after final maturity. You will have a grace period of seven calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.
